

SLIMLINE

Mekser know-how and benefits in a compact package. Using galvanized steel as a start, electrostatic powder coating by 200 celcius provides strong protection against rusting. Or you can opt for stainless steel for ultimate protection against external conditions.

FUNCTIONAL SPECIFICATIONS				
Model	Type	Product	Nozzles	Filling
M411	Suction / Pressure	1	2	1
M412	Suction / Pressure	1	2	2
M422	Suction / Pressure	2	2	2
M424	Suction / Pressure	2	4	2
M424-4	Suction / Pressure	2	4	4

OPITONAL SPECIFICATIONS	
Elektronic Unit Heat Element	300 W.
Stainless Steel Columns	SS 304 - SS 316
Combo	DEF, LPG
Z Swivel	3/4", 1"
High Efficiency	70, 120 lt /dk
Vapor Recovery	Stage II
